You are not going to recognize America after 4 years of Harris who is gonna President & will do what ever the puppet masters tell her to. Freedom GONE!

this is such a nonsensical argument. Biden has been a centrist his whole career and was elected in the primaries because of it. This whole "he's a Trojan horse of the far left" is such a desperate cry based on nothing.

Judge Barrett will defend our Montana way of life from those that want to take away our 2nd Amendment rights and destroy our jobs.

My full statement on @realDonaldTrump's nomination of Judge Amy Coney Barrett to SCOTUS below.

"Judge Barrett is a conservative, well qualified judge, who has faithfully honored and defended the Constitution.

Judge Barrett will defend our Montana way of life from those that want to take away our 2nd Amendment rights, and destroy our jobs. Nearly three years ago I voted to confirm Judge Barrett to the Seventh Circuit Court, and I now look forward to casting my vote to confirm Judge Barrett to the United States Supreme Court."

NEW THREAD
1. As a Christian I am not stating this in fear but as a 40-something year old man employed since age 13,

I will not blink when saying the America I love, the America I grew up in, the America that my grandaddies fought for in World War Two; that America is dying.

2 We allowed government to consume us, consume the rest of the world and now a government run amok is consuming the only thing left: itself. Last week (Sept 24 2020) 880,000 Americans filed for unemployment. Why?

1 1 2

Jon Robberson @RobbersonJon 1m

3 We suffer this current economic disaster, a disaster that is just starting, because a medical mafia, big pharma and reprobate leftist political criminals intentionally fomented panic in March to kill President Trump's economy.

And a lying media machine was giddy to amplify it

1 1 2

Jon Robberson @RobbersonJon 25s

4 Those Americans who read a bit know that the economy was set for an entropic collapse ever since we accepted central banking one hundred and seven years ago

Great book!

David J Harris Jr @DavidJHarrisJr

I wrote this book because I was tired of the mainstream media telling me what to think, politicians telling me what to think. I decided to think for myself, and this is what I discovered. This book will open your eyes, encourage and inspire you.

Does anyone not believe that The New York Times coordinated with the Biden campaign to release this four year old #TrumpTaxReturns story on the even of the first presidential debate?

DecoupleFromChina @YeOldEarthling 53 min

If so, Biden backfired. Am I the only one impressed by Trump's taking advantage of tax law loopholes? If he broke the law that's a different story. Otherwise we should be criticizing Congress for not changing the tax laws, not Trump for skillfully playing the system.

So how did the New York Times get the President's taxes? Shouldn't people be going to jail for leaking this information? Pretty confident this is all ILLEGAL...

But let's not talk about the Illegal leaks that a Federal Judge seemed to not care about when they ordered this..

Yesterday we (publicly) asked Antifa (and associates) to commit to a peaceful weekend in Washington DC on Oct 2-3, for the #WalkAway campaign.

We reiterate that they are on the verge of being considered a terrorist organization - we're asking for a public commitment from them. twitter.com/coms_dc/status...

The president will also designate Antifa, which is described as an anarcho-communist movement, a terrorist organization, the report said. Earlier this summer, amid far-left unrest and riots, Trump announced on Twitter that he would declare it as such, although action has yet to be taken by his administration.

Say what? @JackieMcMichael · 20m
You realize that these nominations for 45 are completely bogus. The Nobel committee does not share nominations. This news was "leaked" by the 2 people in Europe who nominated him. If you believe that they were not incentivized for this nomination somehow that is very sad.

We have seen big liberal companies be able to remain open during this entire Plandemic Political War, while small businesses were forced to close, knowing they can't withstand a shutdown for long. This is eliminating competition & funneling all biz to big liberal giants. Control!

So this weekend the Rock decided to throw his support to Biden. Guess what thats his choice we don't have to agree with it.
But I will tell you this, the BS story that he's a lady is just that BS.
Stop making up BS lies just because you don't agree with them. Democrats do that.

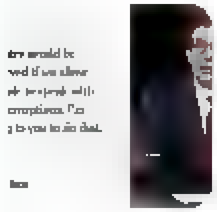
Chris had a tough night. Two on one was not surprising, but fun. Many important points made, like throwing Bernie, AOC PLUS 3, and the rest, to the wolves! Radical Left is dumping Sleepy Joe. Zero Democrat enthusiasm, WEAK Leadership!



The New York Times @nytimes

As the moderator of tonight's debate, Chris Wallace of Fox News repeatedly struggled to keep the proceedings coherent, reduced at times to pleading with the president to pause and allow his opponent to speak.

Nobody wants Sleepy Joe as a leader, including the Radical Left (which he lost last night!). He disrespected Bernie, effectively calling him a loser!

Biden tells us the first thing he will do is raise taxes.

That would turn the strong economic recovery into a recession.

When did raising taxes ever create strong growth?

When did cutting taxes stimulate an economy?

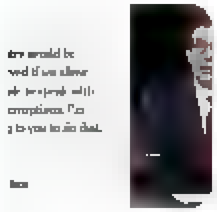
Chris had a tough night. Two on one was not surprising, but fun. Many important points made, like throwing Bernie, AOC PLUS 3, and the rest, to the wolves! Radical Left is dumping Sleepy Joe. Zero Democrat enthusiasm, WEAK Leadership!



The New York Times @nytimes

As the moderator of tonight's debate, Chris Wallace of Fox News repeatedly struggled to keep the proceedings coherent, reduced at times to pleading with the president to pause and allow his opponent to speak.

Biden already has addressed mask mandate. He says he would support for all federal places and employees but that he felt he may lack the authority to issue one nation wide. He said he would encourage other states to issue their own

So weird to watch @FoxNews interviewing only failed Dems, like Represenative Tim Ryan of Ohio, who got zero percent in his recent presidential run, and following Sleepy Joe's train to wherever. What a difference from the past. But we will win anyway!!

No one is for White Supremacy.... But where in the hell are all of these groups Joe Biden and the left keep talking about?

The only groups burning cites, robbing, looting, destroying property, & trespassing & causing Anarchy are Antifa and BLM... Those are the facts puppets..

I'll say it again, Cuomo has handled this better than any Governor in America..

He's praising Trump right now and they are working together to help this nation.

It's nice to see bipartisanship working, unlike the negative racial divide in a pandemic like the media is spreading!

You don't have to agree with Cuomo's Policies, and I don't.

But unlike others on the right or left, I actually have the balls to give credit when it's due.

I'm not a Mainstream Media Puppet or a Sheep who gobbles up the BS talking points.

If she secretly recorded the First Lady AND broke an NDA isn't there something they can do to her? The tapes make me like her more but I'm still pissed this person did this and the media are trashing a good woman who has been a great First Lady

By the way, he said it again during the debate that we'll see his returns. He's said that since 2015, and sometimes saying he can't because of an IRS audit. Even if he's being audited, which most presidents are, he can release them. All presidents have for almost 50 years

I think Trump laid some traps that Biden walked into which will pay off later

Biden will have to reconcile his conflicting stances on fracking, court packing, the Hyde amendment and the Green New Deal

That is a LOT of contradictions to reconcile

All the leftist mob can do is demand that people denounce hate

Now they've spent the last 15 hours hoping that the President and his wife succumb to Covid. These people are sickening. #FightBack

How do they feel about the fact that Joe Biden was the only candidate that did name calling...

President Trump didn't call Biden one name.. Biden called Trump several names while on stage..

Is this what women want?

Here's how wrecked Trump's credibility is at this point: I've got a cell phone full of texts from people who aren't sure whether to believe Trump actually has covid. "He lies so much," one friend just texted. "Is he just doing this to get out of the debates?" others are texting

I love the fact that she pointed out the hypocrisy of the "kids in cages" that was started by Obama. The Left keeps playing this tape when they don't realize that it sinks their narrative there.

Liberals have proven how much they hate America in the last 24 hours. It's disgusting what they've wished on our President. When the traitor, BHO was in office, we wished him success. The intolerant left has no decorum period.

All the leftist mob can do is demand that people denounce hate

Now they've spent the last 15 hours hoping that the President and his wife succumb to Covid. These people are sickening. #FightBack

Sarcasm is developmental. So someone has to be able to think abstractly to understand it. That ability starts between age 8-10 roughly. Otherwise, they think concretely, so take things literally (one dimensional). Those are the folks we are dealing with here.

COVID deaths are disproportionately spiking in Black + Brown communities.

Why? Because the chronic toll of redlining, environmental racism, wealth gap, etc. ARE underlying health conditions.

Inequality is a comorbidity. COVID relief should be drafted with a lens of reparations.

There was a massive campaign to replace "Merry Christmas" with "Happy Holidays" like America had never seen during the Obama Administration. People were shamed for saying Merry Christmas. It was deemed "Offensive."

Liberals tonight trying to say otherwise are 100% LYING.

The 'testing kits' were laced - the tweet has been removed. But Pelosi refused the same test. Looks very sinister indeed. Anatomy of a huge hit job.

All of the governments running the Corona operation are pushing exactly the same globalist propaganda messages, and plan.

The 'Corona crisis' is the long-planned operation to act as the lever, & pretext, for installing their Orwellian 'New World Order'.

I can still understand in hospitals. My VA doctor friend said that a lot of the workers are still showing up with fevers.
But, it's a slippery slope from hospitals to turning everything into a sick ward (markets, museums, etc.).

I think the hospital where @realDonaldTrump is hospitalized should call security immediately to restrain him then perform a psychiatric evaluation to examine his decision-making capacity due to him leaving the hospital and endangering the lives of many others.

Don't be so paranoid about covid. that seem pretty a virtual virus. Have you forgotten that "catching cold" or "flu" still exist too? The President had simply a mild cold after his recent rally in the wind, dressed light in suit only, while his supporters were dressed very warm

Liberals have proven how much they hate America in the last 24 hours. It's disguting what they've wished on our President. When the traitor, BHO was in office, we wished him success. The intolerant left has no decorum period.

That was also overt political theater! I found it odd to announce it in such a manner. Perhaps simply a "showing" that @POTUS is in good hands?

I'm amazed when I hear idiots still trying to claim the DNC servers were hacked.

Yes, you're idiots if you say that.

There is sufficient evidence by people my Team and others work with that proves the hack was theoretically possible.

COVID isn't a big deal. If you get it, follow these steps:

1. See doctors in your in-home medical center
2. If needed, board the helicopter out back
3. Fly to the best hospital in the country
4. Take the best therapeutics $750 in federal taxes can buy

You can always tell when the DNC and MSM are panicking; their fake polls always show a larger and larger lead for Biden. It didn't work in 2016 and it certainly isn't going to work in 2020. Only a fool would believe ANYTHING reported by the MSM now.

COVID isn't a big deal. If you get it, follow these steps:

1. See doctors in your in-home medical center
2. If needed, board the helicopter out back
3. Fly to the best hospital in the country
4. Take the best therapeutics $750 in federal taxes can buy

Here's another one who think the Secret Service members who guard the President just hide in a bunker when he's sick...

These people are really intelligent..

Masks and social distancing REDUCE the risk of transmission, they don't eliminate it altogether. You may not give a fuck about the lives of Trump's secret service agents, but I bet their own families do

MEMORANDUM FOR KAYLEIGH MCENANY
ASSISTANT TO THE PRESIDENT AND
WHITE HOUSE PRESS SECRETARY

FROM: SEAN P. CONLEY, DO, FACEP
PHYSICIAN TO THE PRESIDENT
COMMANDER, U.S. NAVY

SUBJECT: Timeline Clarification

This morning while summarizing the President's health, I incorrectly used the term "seventy two hours" instead of "day three" and "forty eight hours" instead of "day two" with regards to his diagnosis and the administration of the polyclonal antibody therapy.

The President was first diagnosed with COVID-19 on the evening of Thursday, October 1st and had received Regeneron's antibody cocktail on Friday, October 2nd.

They knew if his entire tax history was was leaked it would not fit their narrative. Millions believe his TOTAL tax contribution was $750.00 per year. NYS is one of the highest taxed state, think DJT could get this kinda break? Not if you ever owned a business there!

Will be filing a huge defamation lawsuit this week.

Most journalists have become systemically corrupt. I will fight them in court and bring them to justice, all the way to a jury verdict.

My team will fight for the truth in news at any cost, and we will do alone, if necessary.

Don't you hate it when you run out of toilet paper and you have to do the poop walk out of the bathroom and shout for someone to bring you another roll. Other than that, I enjoyed my lunch at Cracker Barrel.

My buddy couldn't make it in time to the toilet at Walmart and had to do the poop walk to yell at me and the girlfriend to grab a new pair of boxers off the shelves for him.
Luckily for him we were only about a 100 ft from the restrooms. It was embarrassing for him too
